About Srinivasa Tiles

Building with the Timeless Strength of Clay
Srinivasa Tiles, established in **2013** in Hosur, Tamil Nadu, is a leading manufacturer of premium clay building products. We are a subsidiary of Sri Srinivasa Tiles, Nuzvid (Andhra Pradesh), a trusted clay roofing tile manufacturer since **1990**, with our family's craftsmanship in the clay industry dating back to the **1930s**.

Combining decades of traditional expertise with modern manufacturing, we produce high-quality Clay Roofing Tiles, Clay Ceiling Tiles, and Clay Jallies that offer durability, natural cooling, and timeless architectural beauty. Serving customers across Tamil Nadu and Karnataka, we are committed to delivering sustainable, reliable, and aesthetically superior building solutions for homes, villas, resorts, heritage structures, and commercial projects.

Why Choose Srinivasa Tiles?

- Legacy of Excellence – Family heritage in clay products since the **1930s**.
- Trusted Quality – Premium products manufactured with carefully selected natural clay.
- Modern Manufacturing – Traditional craftsmanship combined with advanced technology.
- Reliable Service – Consistent quality, timely delivery, and competitive pricing.
- Sustainable Solutions – Eco-friendly products with excellent thermal insulation and long-lasting performance.

Our Product Range

- Clay Roofing Tiles – Durable, weather-resistant, and naturally cooling.
- Clay Ceiling Tiles – Improved insulation with an elegant ceiling finish.
- Clay Jallies – Decorative ventilation blocks that enhance airflow, light, and architectural appeal.

Our Commitment

At Srinivasa Tiles, every product reflects our commitment to quality, integrity, innovation, and customer satisfaction. We continue a legacy of craftsmanship, helping build cooler, stronger, and more beautiful spaces for generations to come.
